## Farmers Market and the Grove

Enjoy a day of shopping and dining at one or both of these great plazas!

The Farmers Market is an area of food stalls, sit-down eateries, prepared food vendors, and produce markets in Los Angeles, California. First opened in July 1934, it is also a historic Los Angeles landmark and tourist attraction.

The Grove Los Angeles is a shopping and entertainment complex built adjacent to the historic Farmers Market. It centers on a landscaped park and a dancing fountain. It's become a popular spot for shopping and dining, and its lively crowds and street-grid layout make it feel like an old-fashioned downtown.
